

# Brockport High School

2022-2023

## Location and Description

Brockport Central School District is one of the oldest centralized districts in the state, covering over 72 square miles bordering the shore of Lake Ontario. Located on the banks of the historic Erie Canal, Brockport is 20 miles west of the city of Rochester. The District serves approximately 3,085 students in grades Pre K-12, with three elementary schools, one middle school and one high school.

Students from a variety of ethnic and socio-economic backgrounds attend District schools. The District's population includes approximately 3% African American (non-Hispanic); 1% Asian; 11% Hispanic/Latino; 79% White (non-Hispanic), and 6% Multi-Racial.

## Brockport High School Summary

Brockport High School is a large comprehensive public school serving grades 9-12. Brockport offers a full range of college preparatory and career and technical courses, as well as a number of special programs of study:

- ✓ 3-1-3 Program - a senior year program for academically motivated students through which students meet senior year graduation requirements while completing the first year of a baccalaureate degree at SUNY Brockport.
- ✓ Engineering Technology- an honors level pre-engineering program designed for students interested in pursuing a degree in engineering.
- ✓ New Visions - an interdisciplinary immersion program that offers high school and college credits, professional internships, real-world knowledge and a community service component.
- ✓ WEMOCO - an off-site career and technical education center that offers students hands-on training in more than 20 Middle Skill programs.

Brockport currently offers 9 honors courses, 18 Advanced Placement courses, and career internship opportunities. We also offer dual credit courses through which students can earn high school and college credit from Monroe Community College (MCC), Genesee Community College (GCC) and Rochester Institute of Technology (RIT).

Beyond the classroom, Brockport students participate in over 45 clubs and 24 interscholastic athletic programs, with many students participating in multiple activities. Brockport has developed a unique transition program - Focus, Learn, Engage, Connect (F.L.E.C.) - that allows many upper classmen to develop leadership skills by mentoring incoming freshman, teaching mini-lessons, tutoring, and connecting freshman to extracurricular activities.
